

**UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF MISSOURI
EASTERN DIVISION**

STEVE BLAKENEY,

Plaintiff,

V.

CITY OF PINE LAWN, MISSOURI, et al.

Defendants.

Case No. 4:19-cv-02017-SNLJ

MEMORANDUM AND ORDER

This matter is before the Court on the parties' status report, filed in accordance with this Court's memorandum and order dated March 18, 2021.

This case involved hundreds of counts against numerous defendants. All claims against all but one defendant have been dismissed. Plaintiff states that he sought leave to amend his complaint as part of his briefing in opposition to the myriad motions to dismiss by the now dismissed defendants, but plaintiff should have done so by way of a motion pursuant to Federal Rule of Civil Procedure 7(b). The parties note that they have not had a scheduling conference, nor is there a scheduling order in place. However, the parties do not seem to seek one at this time. Defendant Caldwell states that he intends to file a motion for summary judgment, and plaintiff requests an extension of the usual time for a response to 60 days. The Court will construe the status report as an agreed, preemptive motion for extension of time.

Accordingly,

IT IS HEREBY ORDERED that plaintiff shall have 60 days in which to file a response in opposition to any motion for summary judgment filed by defendant Caldwell.

So ordered this 29th day of March, 2021.
